## OUR VINEYARD

Overlooking the sea, in the charming setting of **Baratti**, stands the **Tenuta Guardamare** vineyard, cultivated following the principles of **sustainable viticulture**. The labels that enrich our wine heritage are the result of collaboration with **Michele Satta**, renowned winemaker of Bolgheri Doc.

## OUR VEGETABLE GARDEN

In the heart of the resort, the **Tenuta Guardamare** vegetable garden offers local, **organic and high-quality zero-mile products**, creating an authentic connection between the land and the table.
